SUBJECT: BROSS, Alarich J534

1. We have received further justification from the field of the important status of above-named subject.
2. He is the proposed chief of the w/r stay-behind network to be attached to the ICGMML Apparatus (the paramilitary division). Since the beginning of Bross' training and thereby the training of his subordinate contacts-all depend upon receiving clearance on this one man, we urgently request that top priority be given to Bross' clearance.
3. Clearance was issued on 26 May 1951 for Subject's use under Project BOULDER, and since he will be used in the same area and will be subject to the same risks, hope that an extension of this clearance will be forthcoming soonest.
